

# BOGAARD NEWS

Keeping you up to date with new model releases and general information about our products

## NEW PLUG-IN TURBO TIMER FOR MAZDA BT-50 & FORD RANGER

We are pleased to advise that we now have a plug-in turbo timer to suit the current turbo diesel models of both the Ford Ranger and Mazda BT-50.

The timer model number is 925/BTRAN. This is a new model developed for these vehicles. Previously, it was necessary to use our 925/ST-5 wire-in timer.

These timers are available now and are in stock.

Our Passenger, Off Road & Light Commercial Vehicle Ordering Guide has been updated to include this addition and is available on our web site.

## FUNDRAISING FOR CANCER RESEARCH

Our raffle of a cricket bat signed by the NSW Cricket Team ended on 28 February. While the sale of tickets were less than we had hoped, it has still assisted with much needed funds for The Cancer Council of NSW.

The lucky winner of the bat was Simon Myers of Gympie Diesel & Dyno Centre. Congratulations to him. We hope that he enjoys his prize.

Thank you to all of the following dealers who participated in the raffle:

- AES Auto Electrics, Geelong West, Victoria
- Bunbury Fuel Injection, Bunbury, WA
- Coastwide Auto Electrical, Port Kembla, NSW
- Cruise Control Specialists, Rydalmere, NSW
- IG & JL Greville, Delacombe, Victoria
- M & L Auto Electrical, Catherine Field, NSW
- Southern Cross Auto Electrics, Paget, Qld
- Ulladulla Auto Electric Service, Ulladulla, NSW
- Bars N Lights, Prestons, NSW
- Carswell Auto Electrical, Launceston, Tasmania
- Cooldrive Distribution, Box Hill, Victoria
- Gympie Diesel & Dyno Centre, Gympie, Qld
- Ivan Brown Auto Electrical, Kingswood, NSW
- Norbury Auto Electrics, Berwick, Victoria
- Tassell Automotive, Castle Hill, NSW
